

SENIOR PROJECT MANAGER - ICON ENGINEERING WEST PERTH

ICON Engineering is a dynamic oilfield service company, leading the market in the provision of front end and detailed engineering, construction, drilling support and equipment supply services to oil companies and major oilfield contractors, both in Australia and overseas.

The Role

Due to the increased workload and growth within the mechanical project division, we are currently looking for a Senior Project Manager to join our team. You will lead an enthusiastic and dedicated team of engineers and service technicians to provide high quality innovative solutions that exceed customer's expectations. By developing new concepts, or refining existing designs, you will be challenged with a diverse range of exciting mechanical based projects.

Your Profile

The successful candidate will ideally display the following:-

- Degree in Mechanical Engineering
- 10+ years post graduate mechanical engineering experience (preferably in oil & gas)
- Mechanical engineering technical design experience in hydraulic systems
- Strong people and project management skills
- Innovative approach to problem solving
- Ability to work effectively in a multi discipline team environment
- Strong commitment to Safety and Quality
- Australian Residency Rights

Experience in the following is also desirable:-

- Technical design experience in control systems
- Business Development skills
- Knowledge of jack-up and semi-submersible drilling rigs (including drill rig/ shipyard experience, and familiarity with drilling equipment/operations)

At ICON, we provide a flexible and collaborative team environment where you get to take ownership of the projects you work on, challenge yourself and develop your career.

How to Apply

If you have an eye for the future, would like to advance your career in a role where you can have a direct impact on the business and believe your profile matches the requirements listed above, please forward your resume plus a covering letter 'in confidence' to Sandra.Meade@iconeng.com.au Confidential enquiries can also be directed to Sandra Meade on +61 8 6313 5500.
